Student Reporting in Iowa 2013-2014
Addendum E: Dropout Definitions, 2013-2014

According to the CCD definition, a dropout is an individual who

- was enrolled in school at some time during the 2012-2013 funding year (on or after October 1, 2012 thru September 30, 2013)
- is not enrolled as of Count Day 2013
- has not graduated from high school or completed a state- or district-approved education program; and
- does not meet any of the following exclusionary conditions:
 - a. transfer to another public school district, private school, or state-or district-approved education programs
 - b. temporary absence due to suspension or school –approved illness; or
 - c. death

For the purpose of this definition:

- 1) The school year is the 12-month period of time beginning on Count Day.
- 2) Dropouts from the previous summer reported for the year and grade in which they fail to enroll. For example, a student completing 10th grade in 2012-2013, who does not enroll the next year would be reported as an 11th grade dropout for 2013-2014.
- 3) Individuals who are not accounted for on Count Day of the current year are considered dropouts
- 4) A school completer is an individual who graduated from high school or completed a state- or district- approved educational program upon receipt of formal recognition of school authorities.

(The above definition was taken from NCES publication 2010-313)

NOTE: In order to identify a 7-12 student as having transferred to another school, 'a school or LEA must confirm in writing that the student transferred out, emigrated to another country, or is deceased. . . . To confirm that a student transferred out, the school or LEA must have official written documentation that the student enrolled in another school or in an educational program that culminates in the award of a regular high school diploma'. (Part 200- Title I- Improving the Academic Achievement of the Disadvantaged, 34 CRF Subtitle B, F-1012) If written documentation does not exist, the student must be identified as transferred to unknown, or a dropout.

The above definitions/qualifications translate into the following for state reporting of dropouts in Iowa:

A dropout is a 7 thru 12 student whose most recent Entry code is a BEDS entry code* who...

1. Completed the 2012-2013 school year but was unaccounted for as of October 1, 2013. NOTE: this includes students completing the 6th grade but unaccounted for in the fall of their 7th grade year (7th grade dropout)
2. Enrolled in a program designed to earn a GED or a community college adult education program diploma

5. Was reported as transferred to, open enrolled, tuitioned out to, or whole grade sharing to another Iowa public school district but was never reported by the new district. (NOTE: The last school of attendance/reporting on record is the district responsible for this drop)
